i	Summary
ii	Dedication
iv	List of Figures
iv	List of Tables
iv	List of Appendices
v	Preface and Acknowledgements
1	1.0 Introduction
	1.1 Content and Format of Reference Materials
2	1.2 Purpose of the Reference Materials
3	2.0 Beverly and Qamanirjuaq Caribou Management
	2.1 The Beverly and Qamanirjuaq Caribou Range
	2.2 The Beverly and Qamanirjuaq Caribou Management Board
5	2.3 Protection of Beverly and Qamanirjuaq Caribou and Caribou Range
	2.4 Why Do We Need to Identify Important Caribou Range?
6	2.5 What Information Was Used for Mapping Caribou Range?
8	3.0 Beverly and Qamanirjuaq Caribou and Caribou Range
	3.1 The Annual Caribou Cycle
11	3.2 Features of Caribou Range
12	3.3 Sensitivity of Caribou and Range to Land Use Activities
14	4.0 Land Use Activities on the Caribou Range
	4.1 Overview of Major Land Use Activities
16	4.2 Caribou Protection Measures and Land Use Activities in the NWT
17	5.0 Potential Impacts of Land Use Activities on Caribou and Caribou Range
18	6.0 Literature Cited
20	Appendices

List of Figures

Page Figure

- 4 1. Generalized range of Beverly and Qamanirjuaq caribou, based on government surveys between 1940 and 1995.

List of Tables

Page Table

- 10 1. Annual life cycle periods for Beverly and Qamanirjuaq caribou.
- 13 2. Characteristics of caribou and caribou range that affect their sensitivity to land use activities, for annual life cycle periods of caribou.
- 17 3. Generalized ratings for sensitivity of caribou and caribou range to land use activities during annual life cycle periods.

List of Appendices

Page Appendix

- 21 A. Distribution and movements of Beverly and Qamanirjuaq caribou.
- 36 B. Data limitations for defining important habitats.
- 38 C. Factors used to develop generalized ratings for sensitivity of caribou and caribou range to land use activities during annual life cycle periods.
